How can we make this class better?

1. More strict on time (prep cannot be late) Just super descriptive.
2. Have students leave phones at home/car! One participant – very disruptive and rude! He was late, etc. Thank you! You handled it well!
3. Nothing.
4. It is great.
6. Enforce the time restrictions. There were people who were always late disrupted the class and it's not fair to everyone else who respects those time restrictions.
8. Price a bit higher.
9. Speaker for the commercial section – I wish it was better structured. Felt it was a little all over the place.

10. Nothing.
11. Speakers on day 2, difficult to listen and learn with the teaching style.
13. I don't know if you can. But the classroom lights are too bright.
15. Some on the guest speakers did not do as good of a job keeping me interested and awake. Maybe Judy is the only speaker needed.
16. Can't think of anything.
17. More time.
19. Allow control of air conditioner.
20. None, it's perfect. She handles objections with a thorough thought process before answering.
